

## MSURJ Submission Checklist

In the submission, we have included the following:

- Manuscript prepared in accordance with the Author Instructions available on msurjonline.mcgill.ca; if applicable, the Supplementary Material is also included
- All figures and images included as separate files of sufficient quality; if applicable, a separate document with all figures and tables properly labelled and captioned is included
- Signed Publication Rights Agreement
- This Submission Checklist, completed and signed
- If desired, a document clearly naming suggested peer-reviewers or those who should be excluded. Suggested peer-reviewers should not have published with any co-author or any party involved with the submitted work within the last 4 years. Suggested peer-reviewers should not have any personal connection to any party involved with the present work. Note that MSURJ does not guarantee that a peer named in this document will or will not be included.

Early Publication:

- If possible, we would like for the submitted manuscript to be published in advance of the corresponding issue. It will be published once ready (i.e. accepted with all appropriate edits, and having a proper layout design) instead of waiting for the issue publication date.

List of Authors, ***in order***:

Surname, Given Names	Departmental/Institutional Affiliation	Institutional Email

**Please note all authors listed here, and others with claim to the work, must also sign the Publication Rights Agreement.**

The undersigned also certify that their submission conforms to the requirements set out in MSURJ’s editorial policies at msurjonline.mcgill.ca/policies.
